

Club: Banbridge RFC

Project: Refurbishment of pitch and showers and installation of new boiler system

Funding source: Banbridge District Council

Amount awarded: £50,000

Banbridge RFC President, Alan Harvey, commented: "These projects have been a huge success and will contribute massively towards the Club's Strategic Vision and plan to increase participation in rugby activities amongst people of all ages, backgrounds and abilities. The work carried out also promotes the sustainability of Banbridge RFC and its ability to grow as a community hub well into the future."

For further information and support with grant funding for your club, please contact David Johnston (Club & Community Development Officer) via david.johnston@ulsterrugby.com.
