

**Club: Virginia RFC**

**Project: Purchase land to develop playing facilities**

**Funding source: IRFU Loan Scheme**

**Amount loaned: circa €75,000**

**The Virginia RFC Executive Committee commented:** "This gives us a fantastic opportunity to continue to develop rugby in the Virginia area. From the formation of our minis section over 10 years ago we have experienced continued growth in player numbers where we are now fielding 14 teams every week, with 3 plus qualified coaches per team. This new pitch guarantees the future of Virginia RFC. Our thanks to IRFU (Ulster Branch) for their support and advice with the application process.
