

World Rugby Player Welfare 'Concussion Management'

<http://playerwelfare.worldrugby.org/concussion>

You are required to complete the online module under the 'Concussion Management' section titled **Concussion Management for the General Public** and e-mail your certificate to: Pamela.Wilkes@ulsterrugby.com prior to the course, if you cannot e-mail it then please post it as it is required before the course.

Coaches must register through the World Rugby Player Welfare website (if you haven't already done so), proceed through the online text and video module, complete the online examination and e-mail or print the certificate.

The online module and examination takes approximately 20-30mins. Some important points to note about the online module:

- 1) All sections must be completed.
- 2) All video sections must be viewed in their entirety in order to proceed, ie one cannot fast forward through video sections.
- 3) Sections may be re-visited and/or repeated if required.
- 4) Once all sections are completed, the exam may be attempted.
- 5) Once the exam is successfully completed, the certificate (with named individual) on it may be saved then e-mailed or printed off.
- 6) Individuals may log on and off the World Rugby Player Welfare site as often as they wish using their registration email/password; to re-take the module, print off certificate again, view additional information etc.
